

West Warwick has Launched E-Permitting in our Building Department

Sign up for an account by following the steps below:

Navigate to <https://westwarwickri.viewpointcloud.com/>

Click "log in" and "Sign Up"

- Hover your mouse over the circle containing the first two characters of your e-mail address in the upper right-hand corner, click "Your Profile" and click "Edit Profile"
- Complete your profile (name, address, phone) and click "Save Changes" at the upper right
- Click "West Warwick, RI" at the top left of the page to get back to the home page. Click "Explore" next to the category representing the business you would like to conduct, click an application type, and click "Start" to begin your application

What's available?

Building, mechanical, electrical, plumbing, moving and demolition permits in West Warwick. These combination application forms include Fire Plan Review by the West Warwick Fire Marshal (when applicable) or by the State Fire Marshal for state-licensed businesses where they have jurisdiction. If you have already signed up for the e-Permitting system at the State level, you may use the same account to access the West Warwick site.

Find information, updates and tutorials or send in your suggestions for e-permitting improvements at <http://permits.ri.gov/>
